**ABOUT DALLAS ARCHITECTURE FORUM**

The Dallas Architecture Forum provides a continuing and challenging public discourse on architecture and urban design in - and for - the Dallas area. The Forum offers presentations of architecture through public

lectures by designers, critics, and historians; through topical discussions; and through occasional study tours to buildings and cities locally and throughout the world. The Dallas Architecture Forum serves as an inclusive arena where people interested in and concerned with the built environment, non-professionals and professionals alike, may interact intellectually and socially. For more information, call 214-764-2406 or visit [www.dallasarchitectureforum.org](http://www.dallasarchitectureforum.org).
